## DECLARATION OF CONFORMITY

Product Groups: ..... HV 60/125, HV 60/125 SG, HV 70/125,  
HVI, HV 80/200, HV 80/200 SU, HV80/125.

Product Numbers: ..... 840003, 840004, 840005, 840006, 840014,  
840001, 840002, 840102, 840103, 840104,  
840105, 840106, 840107,  
841102, 841103, 841104, 841105, 841106,  
841002, 841003, 841004, 841005, 841006,  
842002, 842003, 842004, 842005, 842006,  
843102, 843103, 843104, 843105, 843106.

Product Description:..... Boiler Combined Manifold with Insulation

Year of Issue: ..... 2015.

Maximum Operating Pressure (PS): ..... 6 bar

Maximum Operating Temperature:..... 90 °C

Testing Pressure:..... 12-15 bar

European Pressure Equipment Directive:PED 97/23/EC\*

Pressure Equipment Classification Group:According to Chart 4

Pressure Equipment Category: ..... SEP

Hereby confirm that the above Equipment is in conformity with the Pressure Equipment Directive 97/23/EC of the European Parliament and of the Council, for Category SEP (Sound Engineering Practice).

Authorised by:
