třída Tomáše Bati 299, Louky, 763 02 Zlín, Czech Republic
accredited according to ČSN EN ISO/IEC 17065:2013 by the Czech Institute for Accreditation

CERTIFICATE

No. 16 0220 V

confirms that the product

**Inlet valve for toilet tank,
type MD1 with side filling
type MD2 with bottom filling**

manufactured by the company

Nikiplast – M LTD
116 Marin Popov Street, 5400 Sevlievo, Bulgaria
VAT: BG107562570

meets requirements of the following technical specification:

EN 14124 – Inlet valves for flushing cisterns with internal overflow

The Product Certification Body with positive results applied certification scheme 3 in accordance with EN ISO/IEC 17067 and the relevant parts of the specifications above. The certificate confirms the same time, that the manufacturer has created prerequisites for ensuring the stability of quality. This certificate was issued based on the product description, documentation and assessment results listed in the Final Report No. 3735 00422/2016.

This certificate is issued under the updated scope of accreditation.

This certificate is issued under following conditions:

- 1. It applies only to the above referenced models of the product.*
- 2. The manufacturer is obligated to assure that all products of the respective models conform to the type assessed by this certificate.*
- 3. The validity of the certificate is conditioned by positive results of surveillance audits and control tests or assessments carried out at least once a year by the Product certification body.*
- 4. The certificate holder is obligated to inform the Products Certification Body on the raw materials and/or technology changes that may affect the certified product properties.*
- 5. The certificate holder shall adhere to the 'Rules of Certificate Use' by exploitation of the certificate. The Rules are published on www.itczlin.cz.*

Issue date: 02-05-2016
Valid until: 02-05-2019

Ing. Pavel Vaněk
