WARRANTY and CLEANING

All DEMM RUBINETTERIA products are strictly inspected and tested before sale and are guaranteed against manufacturing defects for a period of 5 years.

The warranty includes:

- a) Fusion, porosity and chromium plating defects;
- b) Repair and replacement of defective items after inspection by an authorized company

This warranty will be void in event that the following is found:

- a) Improper repair or maintenance carried out by unauthorized persons;
- b) Incorrect use of taps and fittings;
- c) Deterioration of taps and fittings due to improper installation;
- d) Deterioration of surfaces and finishes if it wasn't cleaned properly;

Any plated surface needs to be treated with care and customers are advised that cleaning with products containing acids or abrasive powders should be avoided. For these reasons DEMM RUBINETTERIA recommends that all plated and polished surfaces be cleaned with water and soap only, using a soft cloth.
