

**Charging cable Mode 3 - Part no. 86213**

- Resistance coding 220 ohm between PE and PP
- 4 m Connecting line H07BQ-F 5G6 + 1 x 0.5 mm<sup>2</sup>, blue
- Charging plug in accordance with IEC 62196-2

## Technical information

Type	with charging plug and charging connector
Description	32 A, with plug and connector Type 2, 400 V 3p+N+PE as well as PP + CP, 4 m
Protection type	IP 44
