DECLARES UNDER ITS RESPONSIBILITY

That the brass fittings for installation with sliding sleeve on the PE-X pipes have been manufactured and assembled according to a Quality and Environmental Management System, which complies with the standard ISO 9001:2008 and ISO 14001:2004.

The brass fittings can be used with following condition: 10 bars and 120°C (maximum).

The brass fittings for installation with sliding sleeve on the PE-X pipes comply with the following standards:

- EN 10226 for threads
- EN 12164, EN 12165 for brass composition, material CW617N brass, with Cu>57%, Pb<2.2%, Ni<0.1%, etc.

The brass fittings have a 24 months warranty against production defects, from the delivery date.

25th October 2019
