## DECLARATION OF "EC COMPLIANCE"

**The FAES of Bernacchi S. & C. s.n.c. producers of level regulators of the type:**

- **Floating switches**
- **TECNO** (10/4 A) (Note: 10 A; resistive load 10 A; inductive load 4 A; 250 Vac)
- **TECNO 2** (10/8 A) (Note: 10 A; resistive load 10 A; inductive load 8 A; 250 Vac)
- **MICRO** (10/4 A) (Note: 10 A; resistive load 10 A; inductive load 4 A; 250 Vac)
- Max voltage. applicable: 250 Vac Max operating Temperature: 50° C.
  
- **TITANIO** (10/4 A) (Note: 10 A; resistive load 10 A; inductive load 4 A; 250 Vac)
- **SHUTTLE** (10/8 A) (Note: 10 A; resistive load 10 A inductive load 8 A; 250 Vac)
  
- Max. Voltage. applicable: 250 Vac Max. operating Temperature: 40° C.

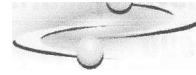

### **The FAES states that:**

The floating switches and their components are in compliance with the provisions of national laws that incorporate the following Community Directives

- "Low-voltage" Directive (LVD) 2014/35/EC is the result of the alignment of the previous Directive 2006/95/EC
- **Revocation:** Directive 2006/95/EC is revoked with effect from **20 April 2016**
- **Entry into force:** applies with effect from **20 April 2016**.

- The “Electromagnetic Compatibility” Directive (EMC) placed in the EMC harmonised standards **13/05/2016**
- **Revocation:** Directive 2004/108/EC is revoked with effect from **20 April 2016**
- **Entry into force and application 20/04/2016**
  
- Machinery Directive 2006/42/EC, revised in harmonized standards of the Machinery Directive of **15/01/2016**.  
Protection from various risks of an electrical, mechanical, chemical, thermal, etc. nature.
  
- Ministerial Decree of 21/03/1973" D.M. no. 220 of 26/04/1993 and subsequent amendments, of the Ministry of Health:  
Regulation incorporating an update to the decree of the Minister of Health **27/07/2016** concerning the "Hygiene discipline for the packaging of food products.
  
- RoHS Directive: restriction on the use of certain hazardous substances in electrical products. The RoHS Directive 2 (**2011/65/EU**): Has become compulsory from **1 July 2006**. New obligations for the evaluation and declaration of compliance and mandatory CE marking.  
Whoever produces must declare the compliance of the electrical and electronic equipment (EEE) with the RoHS Directive 2 and affix the CE marking.
  
- **It also declares that all models of the floats produced by the FAES Company are products that have been tested with the harmonized standards (EN 60730-2-15:2010 EN 60730-1:2000/A2:2008)**  
**As is identified from TUV certificate p.2.**
