

HÜPPE Alpha2

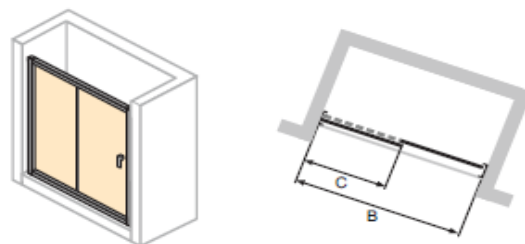

Usa glisanta cu perete lateral

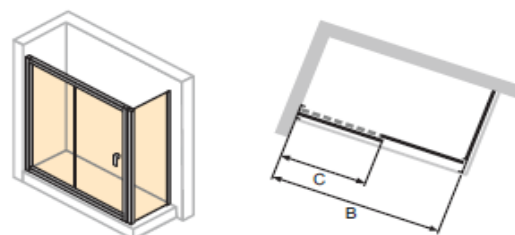

- montaj stanga / dreapta - usa reversibila prin intoarcere peste cap

Posibilitate de montare in **nisa**:

Montaj in combinatie cu un perete lateral
= **cabine asimetrice !**

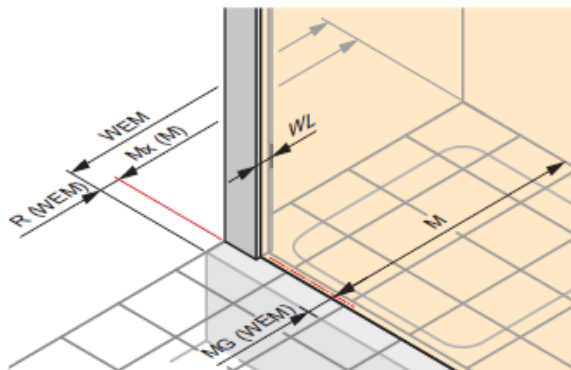

Cod Romstal	Denumire produs	Pentru cadita cu latura		Inaltime	Profil	Sticla
79CD4227	ALPHA USA GLISANTA 100X190	100		190	crom lustruit	clara AP
79CD4228	ALPHA USA GLISANTA 120X190	120		190	crom lustruit	clara AP
79CD4229	ALPHA PERETE LATERAL 80X190	80		190	crom lustruit	clara AP
79CD4230	ALPHA PERETE LATERAL 90X190	90		190	crom lustruit	clara AP
79CD4231	ALPHA PERETE LATERAL 100X190	100		190	crom lustruit	clara AP

Sticla clara AP = sticla cu tratament **AntiPlaque**, tratament anti-calcar in sticla, patent Hueppe

- toate dimensiunile sunt in cm

Date tehnice:

WL: 30,4
R: 5
Mx: M+10
MG: 20

WEM = dimensiunea standard a caditei
WL = 30,4 - dimensiune profil la perete
R = setback / 5 mm fata de marginea caditei
M = mijlocul sticlei

Ajustare in profil: -15/+10

- dimensiunile sunt in mm

1. **Montajul pe cadita** de dimensiune standard se efectueaza **la 5 mm fata de marginea caditei** (spre interior)
2. **Montajul direct pe gresie** se face pastrand distanta de **5 mm** fata de dimensiunea standard (a caditei imaginare)

Caracteristici speciale:

1

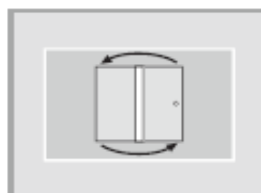

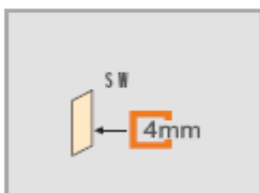

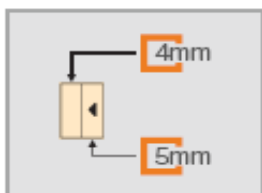

2

3

1. Role duble de inalta calitate (rulmenti) pentru o glisare perfecta si silentioasa a usilor
2. Usile glisante sunt detasabile in partea de jos pentru o curatare usoara
3. Tehnologie ușoară de montaj datorită sistemului **HÜPPE KEDER-System** = sistem de etanșare brevetat
Instalare foarte rapida si simpla fara suruburi la vedere (cheder bradulet)

usa reversibila stanga / dreapta
