**Toate suruburile se vor fixa doar in partile ramforsate cu lemn ale cazii, nu in acril!**

#### **INTRETINERE :**

Intretinerea suprafetelor se face cu detergenti obisnuiti destinati curatirii obiectelor sanitare. Este interzisa folosirea detergentilor corozivi si a celor ce contin granule abrazive.

Este interzisa folosirea buretilor sau a altor obiecte de curatat abrazive si a substantelor ce contin: amoniac, alcooli, diluanti de natura organica, acetona si produse ce contin aceste substante.
