A kindergarten is not the only place for a children's bathroom. A number of handy items are available to make daily hygiene more attractive to children. Let your children enjoy colours! The floorstanding Baby WC with a horizontal outlet is fitted with either white or yellow seat. Thanks to its clever shape, the Baby seat keeps the toilet surroundings clean, even if the toilet is used by rather little children. The seat and cover must be ordered separately. 10-year warranty provided.
