JIKΛ

Domino

JIKA offers ceramic solutions geared towards the needs of businesses. One of them is Domino, an urinal with valve hole. Must be equipped with an external flushing valve (either pressure- or electromagnetic type). Complete product testing. 10-year warranty provided. Antibak prevents trapped dirt by having the inner ring and drains glazed. Sensor automatizes flushing.

Urinal Domino, valve hole

Fixing kit: Included

Inlet diameter (mm): 40 Minimum flushing quantity (l): 1 Power supply (V): 24 Remote control type: Infrared Water inlet position: Back horizontal
