Subject: DECLARATION OF CONFORMITY INERTIAL TANKS (VASO INERZIALE, VASO STORAGE 1 WC, VASO STORAGE 2, VASO STORAGE 3 – CAPACITY UP TO 1000 LT.)

The underwriter Cordivari SRL declares that the inertial tank models in object are manufactured in accordance with directive 2014/68 UE and in reference to art. n. 4.3 of this directive they do not have to be marked CE.

In conformity to directive 2014/68 UE (PED) and to regulations N. 812/2013 e N. 814/2013 derived from directive 2009/125/CE (ErP-eco friendly planning regulations) and directive 2010/30/CE the technical data, the heat loss and the energetic class is reported on the technical label attached to the product. This label is to be intended as integral part of present instruction of use.

The tanks are manufactured in mild steel S 235 JR G2 UNI EN 10025 with Polywarm internal coating. These tanks are subject to Hydraulic Proof Test at 1.5 times the max working pressure of 8 bar and suitable to work up to max temperature of 90°C.

For all other technical details we kindly suggest to consult our current catalogue.

A stylized signature in black ink is written over the text 'CORDIVARI S.r.l.' which is printed in a bold, sans-serif font. The signature appears to be a cursive representation of the company name.
