## CERTIFICATE

Certificate No.: EC98J2017

**ISO 14001:2015 · JIS Q 14001:2015**

Production and sales of electronic equipment, applied electronic equipment, industrial equipment, information processing equipment, home electronics, lighting equipment, vehicle equipment, vessel equipment, aviation equipment, guided rocket, artificial satellite, communication equipment, machine tools, physics chemistry instruments, optical equipment, unclear equipment, gas appliances, building/home related products, semiconductor devices, integrated circuits, general instrument and parts

---

Our organization certifies above organization to be complied with the requirement of indicated above management system.

Registration Date :07/Mar/1996  
Recertification Date:14/Mar/2018  
Issue Date :14/Mar/2018  
Certificate Expiry :13/Mar/2021

## Mitsubishi Electric Corporation Nagoya Works Site

- Mitsubishi Electric Corporation  
Nagoya Works (Yada Factory)  
1-14, Yada-minami 5-chome, Higashi-ku, Nagoya, Aichi  
【Design, manufacturing and sales of Transformers, Inverters, AC servos, Robots, Numerical controllers, Programmable controllers, HMI (Human Machine Interfaces), Electrical discharge machines and Laser processing machines】
- Nagoya Works Shinshiro Factory  
1-1, Aza Torikage, Arumi, Shinshiro, Aichi  
【Development, design, and manufacturing of three-phase induction motors and manufacturing of servo motors】
- Nagoya Works Kani Factory  
3-5, Himegaoka, Kani, Gifu  
【Development, design and manufacturing of electromagnetic switches, and manufacturing of industrial automation machinery (mechatronics, etc.)】
- Mitsubishi Electric Engineering Company Limited Nagoya Works  
1-9, Daiko-minami 1-chome, Higashi-ku, Nagoya, Aichi  
【Engineering services of various industrial automation products, and photocopy services for the designated area】
- Mitsubishi Electric Mechatronics Engineering Corporation  
1-9, Daiko-minami 1-chome, Higashi-ku, Nagoya, Aichi  
【Installation & adjustment, repair and maintenance services of NC, Electrical discharge machines and Laser processing machines】
