

DECLARATION OF CONFORMITY

(According to EN/IEC 17050-1)

Lumezzane, 03/07/2023

Company RUBINETTERIA BIANCHI F.LLI S.p.A., situated in Via Valdoro, 5 - 25065 Lumezzane (BS) - Italy

HEREBY DECLARES

Under its sole responsibility

that the articles 422, 422B, 422A, 424, 425, 424/2, 425/2, 424B, 425B, 4125, 4137, 436, 437, 436B, 424R, 425R, 424A, 425A, 422M, 537, 537E, 560, 560E named “Ball valve” are manufactured (in all their sizes DN10 - DN80) according to the rules of the art, in compliance with the UNI EN ISO 9001 standards and are compliant (**in sizes DN32, DN40 and DN50**) with the **European Directive 2014/68/UE** according to the evaluation procedure of the module D1.

Each product is tested and subjected to pneumatic leak test.

The results of the tests are kept for the period indicated by the management procedures of the quality system, active in the company in compliance with the UNI EN ISO 9001: 2015 standard.

According to paragraph 4.3 of directive 2014/68/UE (PED), products whose sizes are between DN10 and DN25 and higher than DN50 are not subject to CE marking. The sizes between DN32 and DN50 instead are subject to marking.

Notified entity:

Verification and production surveillance is carried out by the Notified Body CSI S.p.A. (Notified Body n ° CE0497) located in Cascina Traversagna, 21 - 20030 Senago (MI), with certificate n ° PED/0497/025/02.

Silvano Bianchi (Presidente Consiglio Amministrazione)
