

# SC-836-000

AA ER14505M 3.6V Lithium Battery

## Details

---

- For use with SmartCell wireless devices

# SC-836-000

## AA ER14505M 3.6V Lithium Battery

### Technical specifications

#### General

Product type	Lithium battery
--------------	-----------------

#### Electrical characteristics

Nominal voltage	3.6 V
Nominal capacity	2.1 Ah

#### Physical

Physical dimensions	14.5 x 50.5 mm (Ø x D)
Net weight	19 g

#### Environmental

Operating temperature	-55 to +80 °C
Storage temperature	< 20 °C
